MEMORANDUM FOR:

Office of Special Assistant to the Director  
for Planning and Coordination

25X1

SUBJECT:

Arrangements for Meeting Needs of Intelligence  
Officer

1. There appear to be the following needs which must be met to  
permit [redacted] to do his job. These are:

a. Requirements for collection

b. Enemy capabilities to frustrate

c. Enemy capabilities to engage (or indications that  
they are engaging) in similar activity.

2. As I reported earlier, on Thursday, November 10, 1955 I met  
with representatives of the Offices of Scientific Intelligence, Current  
Intelligence and Research & Reports with regard to the collection re-  
quirements of this Agency. They have agreed to submit their materials  
by December 7, 1955. The Air Force is already at work as a result of  
your direct discussion. No action will be taken by me with regard to other  
agencies until authorized by you.

3. [redacted] and I discussed with Mr. Amory, DD/I,  
on the afternoon of November 16th items b and c of paragraph one above.

[redacted] has reported to you orally on that conference. It  
is sufficient to record here that it was agreed in that conference that at  
the appropriate time in the near future Mr. Amory would meet with the  
Assistant Directors for Scientific Intelligence and Current Intelligence to  
discuss the role of their offices in meeting point c above and to some extent  
point b, though Mr. Amory anticipates that SAC will be the most valuable  
for b. I recommend that you, [redacted] and myself should be  
present at that meeting.

25X1

4. It is, I believe, your responsibility to inform Mr. Amory either  
directly or through me, if you wish, as to whether the Assistant Director  
for Current Intelligence, Mr. Sheldon, shall be cut in.
